AGE GROUPS

RACING CATEGORY

Junior	from age 14 - 17 years
Open	from age 18 - 39 years
Masters	from age 40 - 49 years
Veterans	from age 50 - 99 years

Age groups are based on the age of the participant on the day of the first race of the series (25 October 2026) and remain the same for the whole series.

POINTS STRUCTURE

The series consists of a structure with points being awarded based on the ranking of each participant over age groups. The points for places 1-20 are as follows:

1st Place = 20 Points	2nd Place = 19 Points	3rd Place = 18 Points
4th Place = 17 Points	5th Place = 16 Points	6th Place = 15 Points
7th Place = 14 Points	8th Place = 13 Points	9th Place = 12 Points
10th Place = 11 Points	11th Place = 10 Points	12th Place = 9 Points
13th Place = 8 Points	14th Place = 7 Points	15th Place = 6 Points
16th Place = 5 Points	17th Place = 4 Points	18th Place = 3 Points
19th Place = 2 Points	20th Place = 1 Point	19th Place = 2 Points
20th Place = 1 Point	All participants will receive 1 point for participation.	

All points are carried over to the following race, while the leading cyclist and the leading Emirati cylist will be recognized during the general award ceremony after each race and will be awarded for the overall series jerseys.

SERIES JERSEYS

After each race, the overall series leaders, based on accumulated points from all races completed so far, are recognized at the award ceremony and awarded the series jerseys:

Jersey	Awarded to	Who is eligible
Purple Jersey	Overall series leader: the rider with the most accumulated points	All riders (Emirati and non-Emirati)
White Jersey	Overall Emirati series leader: the Emirati rider with the most accumulated points	Emirati riders only

An Emirati rider can hold both jerseys at the same time. The purple jersey is open to all riders, so if the overall leader is Emirati she wears the purple jersey and is also awarded the white jersey.

At the final race (Race 4), the white and purple jerseys are awarded in the same way, based on the final accumulated points from all four races, and subject to the eligibility and tie-break rules below.

ELIGIBILITY FOR OVERALL AWARDS

To be eligible for the final overall awards, a rider must:

- Take part in a minimum of 3 main races; and
- Take part in the final race (Race 4).

This applies to both:

- The final overall series jerseys (white and purple); and
- The final age group and Emirati Overall awards and prize money.

If a rider does not meet this requirement, she keeps her points, but the award goes to the next highest-placed eligible rider. The final prize money is given at the last race.

TIE-BREAK RULES (FINAL STANDINGS)

If two or more riders finish the series on the same number of accumulated points, the tie is broken in the following order:

Step	Rule	Winner
1	Number of races completed	The rider who has taken part in more races wins (e.g. 4 races beats 3 races)
2	Total accumulated time (only if Step 1 is also equal)	The rider with the lowest total time across the races she completed wins

Example

Rider A and Rider B both finish the series on 62 points. Rider A has raced in all 4 races and Rider B in 3 races, so Rider A wins. If both had raced in 4 races, the rider with the lower total time across those 4 races would win.

These tie-break rules apply to the age group overall awards and the Emirati Overall awards.

AWARDS & PRIZE MONEY

After each race

- Podium medals (1st, 2nd and 3rd) are awarded in each of the 4 age groups and in the Emirati Overall category.
- Podium medals are based on the finishing positions in that day's race only, not on accumulated series points. An Emirati rider can receive a podium medal in both her age group and the Emirati Overall category.
- The white and purple jerseys are awarded to the current overall series leaders, taking all race into account.

Final race – series prize money

The final prize money is awarded at the last race (Race 4), based on accumulated points within each age group and, for the Emirati Overall category, across all Emirati riders. Riders must meet the eligibility requirement above (minimum 3 main races, including Race 4).

Prize Money

Age Group	1st Place	2nd Place	3rd Place
Juniors	AED 3,000	AED 1,500	AED 1,000
Open	AED 8,000	AED 5,000	AED 3,000
Masters	AED 5,000	AED 3,000	AED 1,500
Veterans	AED 5,000	AED 3,000	AED 1,500
Emirati Overall	AED 5,000	AED 3,000	AED 1,500

An Emirati rider can win prize money in both her age group and the Emirati Overall category. For example, an Emirati rider who finishes 1st in Open and 1st among Emirati riders receives AED 8,000 + AED 5,000.

Safety / NO Ear Phones - No ear phones or race radios to be worn while competing on the cycle leg as it could have detrimental effect on safety, with competitors not being fully aware of surrounding cyclists and / or not hearing instructions from event staff and volunteers.

Aid Stations
There are no aid stations on the cycle course - you will need to carry your own hydration. We will have water available at the finish line for you to serve yourselves.

Finish Line & Results
At the completion of the event, please follow marshal instructions and remove yourself from the path of oncoming cyclists. You can avail of the self-service water. Please make sure to return your timing chip to a member of staff. You will be congratulated by the MC and your time will be viewable as you cross the line and then available online, along with your finishers' certificate.
